AOPF / AONOG 2022

**Darwin Costa
Chair**

Our Mission

Bring together all ICT professionals and other members of the technical and research community to exchange best practices for the implementation of new technologies and protocols.

We all work on a voluntary bases and with a high sense of community building.

Our Vision

Knowledge sharing in Angola, as well as assist students and professionals who plan to develop future ICT careers and add value to their knowledge about their sector of activity.

ABOUT AONOG/AOPF

The AOPF event happens once in a year in a random city of Angola. Besides the annual event, a group of individuals are busy writing materials to share knowledge with the local community.

AONOG (Angolan Network Operators Group) a community of skilled individuals that share experiences and knowledge by means of emailing-list, conferences, best-practices documents and others willing to build the Internet foundation in Angola — Luanda 🇦🇴!.

AONOG day(s) are part of the AOPF Forum.
